Temporary Food Service Requirements

Revised 7-1-2015

At least one (1) person with a valid food handler card must be present at the booth during the operation of the food vending booth/trailer at all times. The class is available on line <http://www.HancockCountyHealthDepartment.com> Cost \$10 a year per person.

Vendors must provide:

- *Stem thermometer & alcohol wipes to sanitize stem thermometer.*
- ✓ *Cooler thermometers marked off in 2° intervals.
Temp must be no higher than 41°.*
- ✓ *Hair restraints must be worn during food preparation
(May be clean hats, visors, bandanas, etc.)*
- ✓ *Thermos with a spout filled with hot water, hand soap, paper towels for hand and work surface washing.*
- ✓ *Plastic wash bucket containing hot soapy water for cleaning work surfaces.*
- ✓ *Spray bottle of sanitizer that is labeled as SANITIZER.*
 - *Make your own by putting 2 tbsp unscented bleach that contains 5.25% sodium hypochlorite in 1 gallon of water. Use this solution to spray on work surfaces after washing them with hot soapy water.*
- ✓ *Chlorine test strips should be provided by all food vendors.*
- ✓ *Several sets of utensils to serve food. These must be changed every 2 hours.*
- ✓ *Adequate off the ground storage for food/utensil/containers.*
- ✓ *Adequate cold food holding equipment, such as coolers, for the quantity of potentially hazardous food stored on premises.*
- ✓ *Heat potentially hazardous hot food to 165° prior to bringing it to the event. Once food reaches 165°, you need only maintain it at above 135°.*
- ✓ *Vendors should wear clean clothes*
- ✓ *Anyone who is ill during the event should not serve or prepare food.*

No home canned items will be allowed.

If you have any questions, please contact Hancock County Health Department at 304-564-3343. We will be glad to address any problems that you are encountering with compliance and or special circumstances.
